

19<sup>th</sup> Aug 2019

Prof. Sheng-En Fang

School of Civil Engineering, Fuzhou University

**Re:** *Invitation to present your work at APVC2019 to be held in Sydney, Australia*

Dear Prof. Fang,

The University of Technology Sydney (UTS) will be hosting the *18<sup>th</sup> Asia-Pacific Vibration Conference (APVC2019) in Sydney from 18<sup>th</sup> to 20<sup>th</sup> November 2019*. This conference provides an opportunity for researchers and engineers to share their cutting-edge research, discuss new theories and to explore the latest technologies related to vibration engineering. More information about the conference is available at [www.apvc2019.org](http://www.apvc2019.org).

We thank you very much for your submission to the APVC2019 conference. It is our great pleasure to inform you that your submission entitled "Efficient Bayesian Procedure for Structural Damage Evaluation" (paper 124) has been accepted for oral presentation at the conference. Once your full paper has been submitted and has completed the peer review process, it will be included in the conference proceedings to be published by Springer and indexed by SCI. We congratulate you on your achievement in this research work.

We are honoured to invite you to attend APVC2019 conference to present your work. We hope that you will kindly accept this invitation. We are looking forward to seeing you in November 2019, in beautiful Sydney, Australia.

Yours Sincerely,

*Assoc. Prof. JC Ji and Dr Benjamin Halkon,*

Co-chairs for APVC2019
