Re: Invitation to visit the Faculty of Engineering at The University of Manitoba

Dear Ms. Yan YANG

It is a pleasure to invite yourself and Prof. Jizhuo HUANG to come to our university during the month of September 2019.

The main purpose of this visit is twofold:

1. to give feedback on the results of the project assessment from China's Ministry of Education on the existing collaboration between our two universities and to propose solutions on the relevant problems indicated;
2. to discuss academic exchanges and other collaborations of interest.
- 3.

The visit schedule and activities are listed in the attachment to this letter.

We look forward to exchanging ideas on our academic collaboration and discuss joint training of students and teachers. We hope through this visit the relations between our two university will be more strengthened.

Sincerely yours,

J.P. Burak, M.Sc., P.Eng.
