Letter of Invitation

Liying Deng

Micro-Nano Devices and Solar Cells Research Institute
Fuzhou University
Fuzhou, 350001 China

Dear Ms. Deng,

I am pleased to write this letter to invite you to Nanyang Technological University (NTU) Singapore as a visiting researcher. The period of your visit in my group will be from 01 August 2019 to 01 June 2020. I will host you during your stay at the university and your research in my group will focus on nanomaterials on energy storage and electrocatalysis applications.

It is my understanding that your full name is Liying Deng, date of birth is 02 February 1995 and that you are working at Fuzhou University China. I understand that all expenses including insurance, travel and living accommodation will be sponsored by First-class Discipline Construction of G College of Physics and Information Engineering. Our research group will help you complete any paperwork necessary for your visit. Since our communications have been in English, I believe that your English is sufficiently good to productively engage in research with our group at NTU.

We look forward to welcoming you to NTU. I am certain that you will have a productive and rewarding experience and we will gain much from your presence on campus. Please feel free to contact me should you require any additional assistance.

Sincerely yours,

Li Hong (Colin)

Nanyang Assistant Professor
School of Mechanical and Aerospace Engineering/
School of Electrical and Electronic Engineering
Nanyang Technological University Singapore
