Dear Prof. Dr. An Chang,

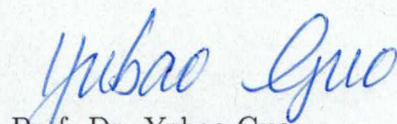

I would like to invite you (An Chang, Male, Passport No.: PE1116255, Date of birth: September 20, 1962) as a visiting professor to visit our *Institute for Mathematics of Information Processing, RWTH Aachen University, Germany* from July 22, 2019 to August 11, 2019.

Both of us are working on graph theory and sharing some common interests in this research area. As we agreed, during your visit, we will conduct an in-depth study of matching problems in undirected graphs and cycle structure of some directed graphs. I am sure that our cooperation will be successful.

I understand that you will be fully funded by *Fuzhou University, China* for your stay here, including accommodation, health insurance and other living expenses.

We are looking forward to your visit. If you have any questions, please feel free to contact me.

Yours sincerely,

Prof. Dr. Yubao Guo
