

ICHVE 2018

2018 IEEE International Conference
on High Voltage Engineering and Application

10-13 SEP
DIVANI CARAVEL HOTEL
ATHENS • GREECE

Prof. Yuesheng Zheng
Fuzhou University
Department of Electrical Engineering, Xueyuan Road 2, Fuzhou
350108, Fujian Province, China
350108 Fuzhou
China, People's Republic of

12/Jun/2018

To Whom It May Concern

This is to confirm that **Prof. Yuesheng Zheng** is welcome to participate in **10-13 Sept 2018 IEEE International Conference on High Voltage Engineering and Application (ICHVE 2018)**, to be held in Athens, Greece.

Please note that registration fees, travel, living and accommodation expenses will not be supported by the conference organizers.

Prof. Yuesheng Zheng is author/co-author of the following accepted contribution(s):

AC Breakdown Characteristics of Air Insulated Sphere-Plane Gaps with Glass Barriers

Author(s): Zheng, Yuesheng; Chen, Yong; Zhang, Hongzhi; Serdyuk, Yuriy V.

Presenting Author: Zheng, Yuesheng

Submission Type / Conference Track: Full Paper Submission

Equivalent Circuit Parameters of Power Tap-Off from Insulated Shield Wires of High Voltage Transmission Lines at Different Rated Voltages

Author(s): Qi, Guowei; Zheng, Yuesheng; Xia, Kai; Wu, Wenbin; Liao, Fuwang; Shu, Shengwen

Presenting Author: Zheng, Yuesheng

Submission Type / Conference Track: Full Paper Submission

We look forward to seeing Prof. Yuesheng Zheng.

With kind regards

Ioannis F. Gonos

Chairman of ICHVE 2018
