

Porto (Portugal), 19 December 2018

To: Prof. Bruno Briseghella  
Dean of the College of Civil Engineering  
Fuzhou University  
Fuzhou (China)

**Object:** *Invitation Letter of Professor Bruno Briseghella*

Dear Prof. Bruno Briseghella,

On behalf of the Faculdade de Engenharia of the Universidade do Porto (Porto, Portugal), and based on the Memorandum of Understanding (MOU) between our Universities, I am very glad to invite you as Dean of the College of Civil Engineering and as a well-known expert in the field of structures and bridges design to visit our Faculty, and to further develop the collaborative research activities between our Universities on “Retrofitting of Existing Structures and Bridges”, in the period from 25/03 to 01/04/2019.

During your visit, we would like to invite you to give some seminars to our students and Faculty members and to organize meetings with my research group and with the leaders of the Department to discuss and to programme the future collaboration between our two Colleges.

I shall be looking forward to your positive reply.

Best regards,

Humberto Varum  
Faculdade de Engenharia da Universidade do Porto  
Departamento de Engenharia Civil - Seção de Estruturas
