Dear Huang Jie,

Paper ID: **108**
Paper Title: **Simulation and Comparison of Different Types of First-Order Decentralized Sliding Mode Estimators**

The review process for the 15th International Conference on Control, Automation, Robotics and Vision (ICARCV 2018) has been completed. All the papers submitted to the conference from 49 countries/regions were peer reviewed by international experts.

Based on the recommendations of the reviewers and the International Program Committee, I am very pleased to inform you that your paper identified above has been accepted for presentation in ICARCV 2018. You are cordially invited to present the paper at ICARCV 2018 to be held on November 18-21, 2018 in Marina Bay Sands Expo and Convention Centre, Singapore.

The acceptance of your paper is made with the understanding that the camera-ready paper will be uploaded to the ICARCV 2018 website by 25 September 2018 and at least one author must register and attend the conference to present the paper.

This invitation is **not** an offer of any financial supports whatsoever for conference registration OR travel expenses to/from the conference OR any other forms of subsistence allowances while in Singapore. This letter is issued on the expectation that you will register for the conference and pay by the stipulated due date the required registration fees as notified on the web site.

We look forward to welcome you at ICARCV 2018 in Singapore.

Yours sincerely,

Su Rong
