**The 17th International Conference
on Metal Forming
Metal Forming 2018**

(home page <http://plast.me.tut.ac.jp/metalforming2018/>)

September 16-19, 2018

Loisir Hotel Toyohashi, Toyohashi, Japan

Frontier Forming
System Laboratory

May 07, 2018

Dear Professor Xin Xue
School of Mechanical Engineering and Automation,
Fuzhou University
No.2 Xueyuan Road, Fuzhou University Town,
Fuzhou 350116, P R China

I am pleased to inform you that the following paper has been accepted to the Metal Forming 2018 conference on behalf of the organising committee:

Paper no.: 008

Paper title: Role of die structures on metal flow balance in multi-output porthole extrusion of thin-walled profile

The registration fee must be paid by June 15, 2018 to include the paper in the special volume of "Procedia Manufacturing", i.e. the paper is automatically removed from the volume and the presentation is canceled if no payment by June 15, 2018. The author or one of the co-authors must present the paper personally at Metal Forming 2018. If the presenting author is a student, the participation of the supervisor in the conference is desired. The presentation is planned to be only oral.

We are looking forward to seeing you in Toyohashi.

Yours sincerely,

Ken-ichiro Mori
Chairman of Metal Forming 2018
