Visiting Research Fellow

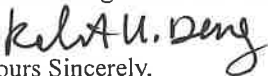

Dear Ms. Yang,

It is my pleasure to invite you, as a visiting research fellow, to work in our university and join my research team to carry out your research work between September 2019 and November 2019. Based on our communication, I confirm that your English level is good and satisfies the requirement of our effective communication and discussion during your research.

I understand your research is focused on information security and privacy protection. I am currently working in the area of data security and privacy, multimedia security and interested in wireless network security. During your visit, you can continue your research in information security.

Your visit will be financially sponsored by National Natural Science Foundation of China (No. 61872091).

I am looking forward to meet you soon.

  
Yours Sincerely,  
Robert H. Deng
