LETTER OF INVITATION

Dear ZHENG Lu

On the behalf of the organization committee, I am pleased to welcome you to the 16th International Symposium on Geo-disaster Reduction (16th ISGdR), which will take place at ATRIUM – 16 Rue René Descartes – 67000 STRASBOURG – France on 27th – 29th August, 2018.

We thank you very much for sending your abstract: “**Influence of Rock Sphericity on Rockfall Dynamics**” which has been accepted as an oral presentation.

I am also pleased to notice you to attend the annual meeting of International Consortium on Geo-disaster Reduction (ICGdR) at Room IX, UNESCO Headquarter at 7 Place de Fontenoy, 75007 Paris on 27th (10:00-16:00) August, 2018.

The 16th International Symposium on Geo-disaster Reduction (16th ISGdR) is an international platform for scholars, researchers and practitioners to discuss interdisciplinary research and practices in the fields of the reduction of the disasters triggered by geological and geophysical phenomena on the earth and beyond.

Your online registration has been completed and paid on the 25th May, 2018.

Please noted that, the registration fee includes attendance to all technical sessions, symposium materials (program, local information, etc.), lunches, coffee breaks, Ice break party (on Monday the 27th) and Welcome banquet (on Tuesday the 28th)

Your round-trip flight, local expense including hotel accommodation, meals and registration fee will not be covered by the organizing committee, please be self-financed.

We are looking forward to welcoming you in August in Strasbourg.
