RE: Visit of the University College London, London, UK

I am very pleased to invite you and your colleagues from Fuzhou University to visit my research group in the Department of Mechanical Engineering at the University College London during November and December in this year for 9 days.

I suggest I arrange the following activities during your visit:

- 1.Seminar on advanced antibacterial stainless steels, intelligent medical materials and their applications.
- 2.Seminar on international cooperation about intelligent medical materials and stiffness-controllable robotics for medical application and international journal paper cooperation.

Name list of the delegation to be invited is as follows:

Name	Sex	DOB	Position and organization
Hongliang Xiang	M	17 May 1972	Professor of Fuzhou University
Kaikui Zheng	M	26 January 1986	Engineer of Fuzhou University
Dong Liu	M	19 January 1984	Technician of Fuzhou University

We further understand that the traveling costs to our country and in our country, including board, lodging, transportation and insurance, will be covered by your delegation.

We look forward to seeing you soon.

Yours sincerely,
