Dear Dr. Wu,

I am very pleased to invite you to visit School of Data Science, City University of Hong Kong as a post-doctoral fellow under my supervision from June 1, 2019 for one year. During your one-year post-doctoral fellowship, I expect to carry out joint research with you on some challenging research issues on financial engineering and their related issues in stochastic optimal control.

I understand that Fuzhou University will provide you financial support which suffices to cover your living expense in Hong Kong for your whole visiting period. School of Data Science at City University of Hong Kong will provide you an office space and other research facilities during your visit.

I am looking forward to your visit next year.

Sincerely yours,

Duan LI
