Dear Sir,

It is with great pleasure that we invite you to present your accepted paper #137 (Title: Natural Images Enhancement Using Structure Extraction and Retinex; authors: Xiaoyu Du, Yousheng Xia) during the Advanced Concepts for Intelligent Vision Systems Conference (ACIVS 2020) organized from the 10th – 14th February 2020 in Auckland, New Zealand. We can further confirm that you paid the ACIVS 2020 attendance fees. I understand you may need a visa to travel to New Zealand. I have therefore provided my email details should New Zealand officials need to confirm the information contained in this letter.

With kind regards,

Patrice Delmas
