The 2019 International Symposium on Nonlinear Theory and its Applications (NOLTA2019)

Invitation Letter

Dear Prof Daxing Xiong
(Department of Physics Fuzhou University Xue Yuan Road, 2, University Town Fuzhou, Fujian,
350108 P.R.CHINA)

On behalf of the NOLTA2019 Organizing Committee, we are cordially inviting Prof Daxing Xiong to participate in the 2019 International Symposium on Nonlinear Theory and its Applications (NOLTA2019), to be held during December 2-6, 2019, at Kuala Lumpur, Malaysia, because the following paper has been accepted for presentation at NOLTA2019.

Paper ID: #9056
Title: Anomalous Thermal Transport in Pairwise Interaction Symmetric Potential Lattices
Author(s): Jianjin Wang and Daxing Xiong

We look forward to your participation and presentation at NOLTA2019.

Sincerely yours,

Dr. Nordin Ramli,
