Subject: Invitation Letter to Participate in the International Conference on Engineering Research and Practice for Steel Construction 2018 on 5 to 7 September in Hong Kong, China

Dear Prof. Zhichao LAI (ID card number:

On behalf of the Organizing Committee of the International Conference on Engineering Research and Practice for Steel Construction 2018, it is my great pleasure to invite you and your designated representative(s) to participate in the International Conference and present the paper listed below in a Special Session. This International Conference is organized by the Chinese National Engineering Research Centre for Steel Construction (Hong Kong Branch) at the Hong Kong Polytechnic University. It will be held on 5 to 7 September 2018 in Hong Kong, China. All your expenses including air tickets, local transportation, accommodations, medical insurances and all other related expenses incurred for attending the Conference will be paid by yourselves.

The primary objective of the International Conference is to provide a technical platform for effective exchanges on modern steel construction technology among researchers and engineers. A number of world renowned researchers and engineers will be invited to present their recent research works and construction projects in the International Conference.

I hope you will be able to accept this invitation. If you have any question or concern, please contact the Secretariat by email (registration@icsc2018.com). For further information of the International Conference, please visit our official conference website at www.icsc2018.com.

Prof. Zhichao LAI is author/co-author of the following accepted contribution(s):

On the Behavior of High-Strength CFT Slender Columns

Author(s): LAI, Zhichao

Presenting Author: LAI, Zhichao

I look forward to seeing you soon in Hong Kong!

Best regards,

Maggie Wong
