Invitation to International Conference 2019 on Spatial Planning and Sustainable Development,  
Chiba University, Japan

Dear Prof. Yan Ma:

Thank you for registering for International Conference 2019 on Spatial Planning and Sustainable Development, which will be held on Aug. 30<sup>th</sup>-Sept. 1<sup>st</sup>, 2019. The conference is started by SPSD International Community and organized by Chiba University this time. The conference opens to scholars, professionals, and officials from Japan, China, USA, and other countries. We will discuss the leading-edge topics about Urban and Landscape Resilience.

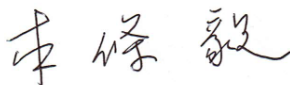

We are proud to invite you as a speaker in the event and are looking forward to your oral presentation entitled by Construction Land Expansion Simulation and Rationality Evaluation in Jiangxi Province.

Details of the conference are published on the website at:

<https://www.spsdcommunity.org/spsd-2019-chiba/>

The site contains the conference venue, the transportation access, the fascinating technical tour and so on. The conference will be held in Chiba, Japan. Please make arrangements for your travel. Once again, congratulations for your excellent work. We look forward to seeing you at Invitation to International Conference 2019 on Spatial Planning and Sustainable Development, Chiba, Japan.

Sincerely yours,

PhD, Prof. Honjo, Tsuyoshi  
SPSD Conference 2019 Chairman  
Chiba University, Japan

Letter of invitation

May 21<sup>st</sup> 2019

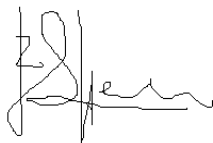

**Dear Pro. Yan MA:**

It is a great pleasure for me to invite you on behalf of the science committee of International Community of Spatial Planning and Sustainable Development (SPSD) for joining a free discussion on “Community Planning and Management”, which is planned to be held on September 2<sup>nd</sup>-3<sup>rd</sup> after the International Conference 2019 on Spatial Planning and Sustainable, Chiba, Japan. This workshop is organized as a free-discussion meeting between science committee members of SPSP who are planning to attend the 2019 SPSP International Conference.

During this discussion, you will be cordially invited to meet with some SPSP colleagues and investigate the smart city planning issues in Kashiwanoha Smart City, Japan. As the secretary of SPSP Science committee, you are also invited to discuss the planning of 2019 SPSP academical events. I really believe that these meeting and field surveys will be fruitful for all participants.

We are looking forward to seeing you this May.

**Yours sincerely,**

**Prof. Zhenjiang SHEN**

SPSP Chairman,
