Re: Invitation to deliver a keynote speech in an upcoming workshop

Dear Sir,

I have the pleasure to inform you that our Department of Civil Engineering is planning to organize an International Workshop on Sustainable Civil Infrastructure Development (IWASCID 2019) during January 22-23, 2019. I would like to invite you to as one of the key keynote speakers to deliver a technical presentation on any related topic for about one hour. Your Airfare by economy class via shortest route and your local hospitality shall be taken care of by our University.

We shall be able to send you further details once we receive your kind consent.

I look forward for your kind response.

Thanking you,

Cordially Yours,
