

Roma (Italy), 20 November 2019

To: Prof. Bruno Briseghella
Dean of the College of Civil Engineering
Fuzhou University
Fuzhou (China)

Object: Invitation Letter of Professor Bruno Briseghella

Dear Prof. Bruno Briseghella,

On behalf of the Department of Architecture of the University of ROMA TRE (Rome, Italy) and according to the Memorandum of Understanding (MOU) with the College of Civil Engineering of Fuzhou University, **I am very glad to invite you** as Dean of the College of Civil Engineering and as a well-known expert of bridge design to take part to the common research activities between the two Universities on “Retrofitting of Existing Bridges” **from 20/01 to 15/02/2020**.

During your stay you’ll also give some presentations to our students and Faculty members and you’ll have some meetings with the leaders of Roma Tre University to discuss about the Collaboration between our two Universities, the Sino-Italian Center that has been established at Fuzhou University with the support of Roma Tre University and the one that has been planned to be opened in Rome.

I shall be looking forward to your positive reply.

Best regards,

Camillo Nuti
